

NAHIAN FAIZA FIRDOWS

☎ +880 1784836076 | ✉ faizasrishty13@gmail.com | 🌐 Portfolio | 🔗 LinkedIn | 🐙 GitHub | 📍 Dhaka, Bangladesh

OBJECTIVE

Computer Science and Engineering graduate from Rajshahi University of Engineering and Technology (RUET) with hands-on experience in full-stack web development. Skilled in Laravel, Flask, React, Node.js, and database-backed application development, with additional experience in AI evaluation and LLM based research.

EXPERIENCE

Bdtask Dhaka, Bangladesh
Trainee | Industrial Attachment | *Hybrid* | [Certificate](#) March 2025

- Contributed to BongoSeek, an AI-powered chatbot web application, with primary responsibility for backend development and additional front-end refinements.
- Implemented application logic and API integration using Flask and MySQL while collaborating with a seven-member team through Git-based version control.
- Worked within a shared software development workflow from implementation through team integration.

BracIT Dhaka, Bangladesh
Trainee | Industrial Attachment | *On-Site* | [Certificate](#) March 2025

- Gained hands-on exposure to multiple stages of the Software Development Life Cycle (SDLC), learning professional workflows across development and supporting teams.
- Analyzed a Business Requirement Document (BRD) assigned by the technical lead to understand how client requirements are translated into software solutions.

PROJECTS

BongoSeek | *Flask, React, MySQL* | [GitHub](#)
AI-powered chatbot web application using DeepSeek 1.5B.

- Integrated the DeepSeek 1.5B model through Hugging Face to generate chatbot responses locally.
- Implemented JWT-based authentication and user sessions, including two-factor authentication with one-time codes delivered by email.
- Developed Flask backend endpoints and a responsive React-based chat interface.

Boi Lagbe? | *Laravel, Blade, Tailwind CSS, MySQL* | [GitHub](#)
Full-stack book-sharing platform for borrowing and purchasing books.

- Built a Laravel application enabling users to list, borrow, and purchase books through approval-based workflows.
- Implemented search and filtering together with borrowing deadlines, automatic reminders, and overdue-user flagging.
- Developed dashboards and profile management for requests, approvals, transaction history, status tracking, image uploads, and contact sharing.

Memories | *Node.js, Express, React, Redux, MongoDB* | [GitHub](#)
Full-stack social media web application.

- Built CRUD functionality for posts, including image uploads and “like” interactions.
- Developed RESTful API endpoints using Express and MongoDB for post creation, updates, deletion, and data management.
- Used Redux for state management and Material-UI to build a responsive React interface.

RESEARCH EXPERIENCE

Evaluating Automatic Metrics and LLM-as-Judge for Clinical Text Summarization GitHub
Undergraduate Thesis
• Evaluated ROUGE, BLEU, BERTScore, and LLM-as-a-Judge for clinical text summarization using 300 MIMIC-IV cases and 900 generated summaries. • Used Qwen2.5-7B/14B, BART-Large-CNN, prompting, correlation analysis, case-clustered bootstrap, and sensitivity analysis for metric evaluation. • Found BERTScore to show the strongest and most stable agreement with LLM-based judgments, while the LLM judge aligned more strongly with human ratings than the tested automatic metrics.

SKILLS

• Backend & Databases: PHP, Python, Node.js, Express, Laravel, Flask, RESTful APIs, JWT authentication, MySQL, MongoDB • Frontend: React, Redux, HTML, CSS, Tailwind CSS, Blade, Material-UI • Design & Tools: Figma, Webflow, Git, GitHub, Kaggle

EDUCATION

Rajshahi University of Engineering and Technology	Rajshahi, Bangladesh
B.Sc. in Computer Science and Engineering <i>CGPA: 3.61 / 4.00</i>	Graduated: 11 August 2026
Chattagram Cantonment Public College	Chittagong, Bangladesh
Higher Secondary School Certificate <i>GPA: 5.00 / 5.00</i>	2018–2020

AWARDS & CERTIFICATIONS

EDGE Certificate for PHP (Laravel)	2025
Issued by Bangladesh Computer Council Certificate	Dhaka, Bangladesh
Technical Scholarship	2023–2026
Issued by Rajshahi University of Engineering and Technology	Rajshahi, Bangladesh

EXTRACURRICULAR ACTIVITIES

Photographic Society of RUET (PSR)	2022–2026
Member	Rajshahi, Bangladesh
Islamic Society of RUET (ISR)	2025–2026
Member	Rajshahi, Bangladesh
Bridgestone of Campusian	2024–Present
Member	Rajshahi, Bangladesh
